

# Gobinda Sarkar

Full Stack Web Developer Lead

## Profile

Hi, I'm Gobinda Sarkar, I'm working as a professional Web developer and Designer. I've started my carrier in 2014 as a web designer. I also continued to keep learning and exploring new things for updating myself. I've made myself more efficient. I love to learn new things and working on them. I have 7 years' experience. Here are just a few things about me. I strive to provide excellent service in terms of quality of work, timely delivery, professional behavior, customer service, reliability, and dedication. I am a focused, skilled & efficient person. I specialize in building user and mobile-friendly websites using my wide range of skills in Frontend & Backend.
